Born in a small rural area in the northeast of Scotland, Donna was raised among nature and scenery, as well as her warm-hearted family.

In 2002, when she was studying at the Royal College of Art in England, said to be the world's most prestigious art university,

she created her first knit plush toys. Since then, she has expanded the scope of her production activities, including making curious figures, enjoyable apparel, and unique furniture, and has shared these works with the world. She is currently based in London.
